Webb County Judge Danny Valdez, Commissioner Mike Montemayor and the Webb County Engineering Department will be holding a press conference today, updating the public concerning the Boil Water Alert currently imposed on the cities of El Cenizo and Rio Bravo. The press conference will take place today at the Webb County Courthouse Courtroom at 4:00pm.

Since the Boil Alert has been in effect, the County has been collaborating non-stop with the Texas Commission and Environmental Quality (TCEQ) in order to address the issues at the water plant.

The City of Laredo Health Department has been assisting the Webb County Engineering Department in the testing and sampling of the distribution system through various points in Rio Bravo and El Cenizo.
